

Harris Ranch Premium Natural Frozen Ground Beef Burgers

For over 30 years, Harris Ranch has consistently provided the most wholesome beef available. Harris Ranch's Premium Natural Angus Beef program caters to the most discerning customers. It's produced according to the strictest, most progressive standards, but maintains every bite of quality, flavor, and freshness for which Harris Ranch is known. Our quality, all-natural burgers will turn an everyday BBQ into a neighborhood bistro.

Premium Natural Attributes

- USDA Choice Angus Beef
- No added hormones ever
- No antibiotics ever fed or administered
- All-vegetarian diet
- Grain-fed at the Harris Feeding Co. for better flavor
- Guaranteed safe and wholesome: rigorous test-and-hold program provides added food safety benefits
